Join us for a fun and educational evening learning the fine points and tricks of the trade for table presentation of the Pembroke! Participants will learn training techniques, ring etiquette and “corrective stacking” to help their charges shine on the table; creating an immediate positive impression in the ring. Also, how to get the very best win photo of your dog!

Bring your own table (extras will be available for those who need one), a hungry, semi-groomed dog (no puppies under 6 months, please) on a show lead/collar, bait, and pad/paper to take notes if you choose.

Clinic fee, \$15 for hands-on participants; \$8 without a dog.
